4-Door Compact Sanitary Units (Multi-Compartment Series)

High-density, turnkey modular sanitary block engineered for European campsites, holiday parks, and glamping resorts. Combines 4 completely independent private compartments (2 dedicated shower rooms + 2 private WC rooms, each with private ceramic washbasin) within a single 220 × 320 cm footprint—eliminating queues and maximizing pitch capacity.

ARCHITECTURAL EXTERIOR FINISHES

SafranCity Series
Warm wood-look composite slatted facade over an anthracite frame. Harmonizes seamlessly with glamping and nature parks.

AntraCity Series
Full RAL 7016 Anthracite Grey modern architectural finish. Contemporary styling for coastal pitches & motorhome resorts.

PrimeCity Series
Clean RAL 9002 Off-White paneling. Sunlight-reflective, bright, and hygienic aesthetic for commercial campsites.

Engineering Specifications — European Commercial Standards

PARAMETER	TECHNICAL DETAIL & MATERIAL STANDARD
Configuration	4 Independent Lockable Rooms: 2× Shower Rooms + 2× Toilet Rooms (Each with Ceramic Basin & Mirror)
External Dimensions	220 cm (Length) × 320 cm (Width) × 230 cm (Height)
Approximate Weight	520 – 560 kg (Reinforced galvanized steel structure, forklift movable & wind-resistant)
Structural Frame & Mobility	Cold-formed heavy steel profile chassis with integrated base forklift pockets
Wall & Ceiling Insulation	40 mm high-density EPS insulated composite sandwich panels (Thermal barrier & acoustic privacy)
Subfloor & Floor Finish	14 mm heavy-duty fiber cement subfloor + 2 mm commercial anti-slip PVC vinyl
Sanitary Ware Included	2× Sliding shower enclosures with mixer sets, 2× Ceramic toilets with cisterns, 4× Ceramic washbasins with taps & mirrors
Electrical & Ventilation	16A internal RCD fuse box, 4× waterproof IP-rated LED ceiling fixtures, 4× independent switches, 4× mechanical exhaust vents
Plumbing Connections	Standard 1/2" clean water feeds + 110 mm gravity sewer discharge outlet (internal subfloor manifold)
Access & Security	4× Insulated exterior steel doors with heavy-duty handles and keyed cylinder locks for independent allocation

Quad Pitch Service Capacity
Serves up to four independent pitches or acts as a decentralized guest hub within a compact 220 × 320 cm footprint.

Unified Internal Manifold
All 4 drainage lines combine internally into a single 110 mm gravity sewer discharge point for straightforward installation.

Direct Manufacturer: In-house production plant in Sakarya, Türkiye.
Logistics: Export-wrapped and delivered directly via curtain-sided mega-trailers across Europe.
