SanitaCamp

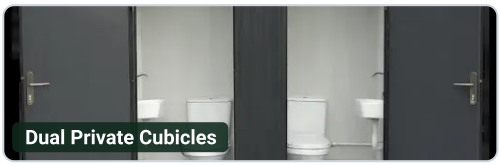
MODULAR SANITARY ARCHITECTURE • OUTDOOR HOSPITALITY

TECHNICAL DATASHEET

Ref: SC-DTC-2026-EU

Double Independent Toilet Cabins (Dual Pitch Ensuite Series)

Turnkey, dual-compartment sanitary solution engineered for European holiday parks and campgrounds. Delivers two fully partitioned, private WC units under a single compact roof—optimizing campsite infrastructure footprint while doubling ensuite booking revenue.



ARCHITECTURAL EXTERIOR FINISHES

SafranCity Series
Warm wood-look composite slatted facade over an anthracite steel frame. Harmonizes seamlessly with glamping and nature parks.

AntraCity Series
Full RAL 7016 Anthracite Grey modern architectural finish. Contemporary styling for coastal pitches & motorhome resorts.

PrimeCity Series
Clean RAL 9002 Off-White paneling. Sunlight-reflective, bright, and hygienic aesthetic for commercial campsites.

Engineering Specifications — European Commercial Norms

PARAMETER	TECHNICAL DETAIL & MATERIAL STANDARD
Configuration	2 × Independent Private Compartments with sound/thermal insulated dividing wall
External Dimensions	220 cm (Length) × 120 cm (Width) × 230 cm (Height)
Approximate Weight	280 – 300 kg (Reinforced structure, high wind stability & forklift movable)
Structural Frame & Mobility	Galvanized, cold-formed steel structure with integrated base forklift channels
Wall & Ceiling Insulation	40 mm high-density EPS insulated composite sandwich panels (Acoustic & thermal comfort)
Subfloor & Floor Finish	14 mm heavy-duty fiber cement subfloor + 2 mm commercial anti-slip PVC vinyl
Sanitary Ware (Per Cubicle)	1× Ceramic toilet with cistern, 1× Ceramic washbasin, chrome mixer tap, mirror, paper holder (2 sets total)
Electrical & Ventilation	Separate 16A fuse distribution board, dual independent LED ceiling lights, switches, grounded sockets, dual mechanical exhaust vents
Plumbing Connections	Standard 1/2" clean water supply + 110 mm gravity sewer discharge outlet (integrated dual manifold)
Door & Access Security	2× Insulated exterior steel doors with independent keyed cylinder locks for separate pitch allocation

Double Pitch Utility from 1 Connection
Serves two adjacent pitches independently with integrated manifold routing to a single external 110 mm sewer connection.

Full Acoustic & Odor Partitioning
Sealed 40 mm insulated central dividing partition ensures complete privacy and zero odor/noise transfer between cubicles.

Direct Manufacturer: In-house production plant in Sakarya, Türkiye.
Logistics: Export-wrapped and delivered directly via curtain-sided mega-trailers across Europe.
